Serving Multi-Unit Residential & Strata Buildings Across Our Community

OUR PROCESS.

A streamlined, proven approach that delivers reliable EV charging solutions from start to finish.

01 CONSULTATION & SITE REVIEW

We listen to your goals, assess your site, and recommend the right EV charging solution for your property and users.

02 ELECTRICAL PLANNING & PERMIT SUPPORT

Our engineers design a code-compliant electrical plan, manage documentation, and handle permit coordination.

03 PROFESSIONAL INSTALLATION

Certified technicians install your charging systems with precision, safety, and minimal disruption to your operations.

04 TESTING & COMMISSIONING

We rigorously test every component, verify performance, and ensure your system is ready for everyday use.

05 ONGOING MAINTENANCE & UPGRADE SUPPORT

We keep your system running at its best with proactive maintenance, monitoring, and future-ready upgrade options.

EXPERIENCE. INTEGRITY. BUILT INTO EVERY PROJECT.

EXPERIENCED INSTALLERS

Skilled electricians with hands-on experience in EV charger installations for Strata Buildings & Multi-Family Communities

SAFE WORKMANSHIP

We follow best practices and prioritize safety at every step—protecting your property, your people, and your investment.

CODE-CONSCIOUS PLANNING

Installations designed to meet local electrical codes, utility requirements, and future readiness—so you can charge with confidence.

DESIGNED FOR EVERY SCALE

From single-home setups to scalable commercial deployments, we tailor every solution to your needs.

DEPENDABLE SUPPORT

Our work doesn't end at installation. We're here with ongoing support, maintenance guidance, and fast response when you need us.

We deliver EV charging solutions that perform today—and scale for tomorrow. Let's build the right solution for your property, your people, and your goals.

SOLUTIONS FOR HOMES & BUSINESSES

SMART
RELIABLE
BUILT TO LAST

From the first conversation to long-term support, Alpha Tech Building Solutions makes EV charging simple, efficient, and worry-free.

YOU FOCUS ON YOUR BUSINESS. WE'LL POWER THE WAY.
